WAIVER FORM

Students may request an exemption from a specific degree requirement in the major, minor, Liberal Arts Core, or other general degree requirements. Granting of a waiver for a specific course does not grant credit for that course, and any credits waived must still be made up so that the minimum 128 degree credits is still met.

Please return this form to the Registrar's Office with appropriate signatures.

Name: _____ Date: _____

I hereby request a waiver of the following requirement(s):

Student Signature: _____
