

## Inspired to Serve Our Nation

Now more than ever, we need talented and driven individuals to aid in the fight against transnational threats. Our bachelor's degree - combining practices from Homeland Security, Emergency Management, and Criminal Justice - is the preparation you need to take on that challenge. As a student in Marian's homeland security program, you'll take what you learn in the classroom and apply it to the real world of public safety.

Through an applied learning approach, you'll be prepared to:

- Launch your career working for a federal agency
- Combat transnational threats
- Prepare for and respond to disaster situations
- Develop crucial emergency management strategies
- Address community infrastructure issues
- Enhance resource management potential

## Distinctive Features

- Fully online program
- Students can receive up to 90 transfer credits for military and work experience in related areas
- Up-to-date, topical curriculum focuses on today's pressing security issues

## Required Coursework

**Core Courses - 36 Credits**

**General Education - 46-49 Credits\***
