

One-day workshop about human rights activism

Saturday, October 28, 2017

**AMNESTY INTERNATIONAL USA
MIDWEST REGIONAL CONFERENCE
(MILWAUKEE, WI)**

It is our sincere pleasure to invite you to this year's Midwestern Regional Conference.

Join us October 28, 2017, as we stand shoulder to shoulder in the great city of Milwaukee to make a lasting human rights impact. The Midwestern Regional Conference brings together hundreds of Amnesty members and other human rights activists from around the country. With our Grassroots Host Committee and Regional Office as co-hosts, together we will continue our tradition of engaging in networking opportunities, inspiring plenaries, and hands-on skill-building workshops, as well as shaping the policies of the organization.

As activists, we will be challenged to initiate change within our own communities. This will only happen with you – we need you there!

Interested in attending?

Complete this registration form by Friday, October 20th.

The Social Justice committee will organize transportation to Milwaukee and pay your registration fee.

Amnesty International is a global movement of people fighting injustice and promoting human rights.

We work to protect people wherever justice, freedom, truth and dignity are denied. Currently the world's largest grassroots human rights organization, we investigate and expose abuses, educate and mobilize the public, and help transform societies to create a safer, more just world. We received the Nobel Peace Prize for our life-saving work.
