

# Career Services Center

## MARIAN UNIVERSITY

We can help you explore your career interests, gain valuable work experience, and transition to your career after graduation.

### Four-Year Career Planning

Our four-year career planning will help you in the areas of career exploration, identification, experience, and actualization. Additionally, we offer assistance with professional development and preparedness through:

- Résumé and cover letter review
- Handshake setup
- LinkedIn creation
- Interview strategies
- Job and internship navigation
- Graduate school preparation
- Networking and mock interviews with area employers
- Career Workshops

**Individual career coaching** is available by appointment to assist you with career development and professional preparedness.

### Freshmen Externship Program

We can help set you apart through an offering that not many other colleges have — our Freshmen Externship program, which is **FREE**.

This one-week externship opportunity is available to first-year students over winter break. Externships, or “mini internships,” give firsthand experience at a sponsor organization by having students observe and engage in a career field of interest before pursuing further education. **Career Services partners with more than 50 employers!**

Students must apply for consideration to participate in the externship, which upon successful completion is noted on individual transcripts.
