

Bachelor of Science in **PSYCHOLOGY**

Learn to connect theory with real world issues

This 100% online program is the first step toward a career related to human behavior, motivations, emotions, thoughts, and actions. Whether you aspire to work in counseling, law, or medicine, we want you to achieve a scientifically-driven understanding of everything that influences human behavior and interaction.

We explore the human mind and human behavior and will prepare you to:

- Demonstrate an understanding of major concepts, theories, and historical trends in psychology.
- Apply research methods, including data analysis and interpretation.

- Understand and apply psychological principles to personal, organizational, and social issues.

With six entry points per year to choose from, are you ready to help make a difference in the lives of others?

The education you want, when you want it

We offer a rolling admission with six different start dates throughout the year — January, March, May, July, August, and October. We accept a maximum of 90 transfer credits and, depending on the number of transfer credits accepted, you could graduate in just 15 months.

Graduates have found jobs as:

- In-Home Autism Therapists
- Behavioral Specialists
- Human Resources Specialists
- Patient Advocates
- Child Welfare Specialists
- Healthcare Coordinators
- Activities Director at Assisted Living Facilities

Why choose us?

- Select your start date.
- Classes that start every seven weeks allow busy students to choose the best time to start.
- Fewer courses at a time empower students to focus on excelling at the task at hand.
- Flexibility: 100% online courses and a new schedule every seven weeks.
