

## Master of Science in **THANATOLOGY**

**Marian University's Thanatology program is 100% online, with contemporary curriculum designed for the practitioner.**

**When a significant event shatters our world**, we search for meaning. How do we make sense of our life when it has changed forever? That's where Thanatology comes in.

With Marian University's MS in Thanatology, you can bond with professionals around the world through Marian, to help others find the meaning behind these significant life events.

Marian's program includes:

- Palliative and hospice care
- Ethics and diversity
- Spirituality and religion
- Suicide and prevention
- Traumatic death
- End-of-life decision making
- Communication with service providers and families
- Program development and assessment

## Why choose Marian University for your Master's in Thanatology Degree?

**Contemporary courses.** Explore the latest innovations and significant practices.

**Trauma-informed approach.** Marian recognizes that students sometimes bring their traumatic experiences with them.

**Designed for adult learners.** The 7-week, online courses are designed for full-time working professionals and those with families.

**Accomplished Faculty.** Learn from faculty who are experienced practitioners, authors, and sought-after speakers on podcasts and at national conferences.

**Personal and Professional Growth.** Connect with practitioners from diverse backgrounds through engaging coursework, practical experiences, and a supportive learning environment.

### Our partners

Our partners include the National Alliance for Grieving Children, the Cincinnati College of Mortuary Science, Pittsburgh Institute of Mortuary Science, National End of Life Doula Association, and the Association for Death Education and Counseling. Members of these organizations, plus the National Funeral Directors Association, are eligible for tuition discounts.
