

2nd Annual
WIC Event

WOMEN

IN CONSTRUCTION

2026

Tuesday, March 10 • 10 a.m.–1 p.m.

Stayer Center, 45 S. National Ave., Fond du Lac

Marian University invites you to Women in Construction – an inspiring event that empowers young women to explore exciting career opportunities in the construction industry!

The Women in Construction (WIC) program brings together students from across the state with industry leaders and experienced professionals for engaging conversations, panel discussions, and real-world insights into construction management, engineering, design, and skilled trades.

Together, we celebrate achievements, spark curiosity, and open doors to possibilities!
