

## Master of Science in Nursing RN TO MSN PROGRAM

### Wisconsin's RN-MSN program where you choose your track

**This hybrid program was created for RNs with an associate degree to develop the foundational knowledge and skills needed not only to solidify their standing in the field, but advance their careers.**

**Offering start times in fall or spring, we'll help you conveniently and affordably reach your career goals.**

Offering online, hybrid, and evening courses, this program was created for working RNs to conveniently and affordably develop the foundational knowledge and skills needed to advance their careers. With start times in fall or spring, we'll help you reach your career goals without the need to alter your lifestyle.

In earning this degree, you'll experience courses taught by industry-respected

faculty. Our curriculum blends RN and MSN topics to create an efficient educational path, allowing you to earn your degree in four years (full time) or five years (part time) while maintaining your current work schedule.

Having advanced through the program, you'll encounter a feature few in the state offer — graduate-level coursework focused on the area of your choosing, FNP or Nursing Administration.

## Two possible start times. Two possible class types. One fast track to an MSN.

### Your Choice. Your Direction.

This RN-MSN program allows you to choose your track — Family Nurse Practitioner or Nursing Administration. Completion of the FNP program results in the eligibility to apply for American Nurses Credentialing Center certification or the American Academy of Nurse Practitioners Certification Board Family Nurse Practitioner certification.

### Your Choice. Your Start.

We offer two possible start times each year for you to earn your MSN degree, allowing you to fit your education into your lifestyle when it's most convenient for you — fall or spring.

### Your Degree. Your Discount.

Wisconsin Technical College graduates will receive a 10% discount when choosing Marian University.
