

Bachelor of Science in DENTAL HYGIENE COMPLETION PROGRAM

Wisconsin's only dental hygiene bachelor's completion program

Already earned your Associate's Degree and Dental Hygiene license? This 100% online program will allow you to pursue a top-of-the-line degree while you work as a dental hygienist.

We'll help take your career to the next level by preparing you for new opportunities and giving you the skills needed to be a leader in this growing healthcare field. Our program offers:

- 7-Week accelerated courses
- 6 possible starts per year
- No clinical component
- Graduate in as little as 16 months
- Transfer in up to 90 credits

The advanced skills taught in our program will prepare you to do more — for your career and for your patients — and the benefits of graduating include increased salary, promotion, and a pathway to qualify for diverse roles in the oral health field.

The education you want, when you want it

We offer a rolling admission with six different start dates throughout the year — January, March, May, July, August, and October. We accept a maximum of 90 transfer credits and, depending on the number of transfer credits accepted, you could graduate in just 16 months.

Advance through an exploration of topics:

- Community DH practice
- Management of oral healthcare delivery
- Health equity in diverse populations
- Research in DH practice
- Leading and managing healthcare teams

Get started and get going

The BLS projects an 11% growth in the field through 2028 with a median pay of more than \$74,000 per year — your career opportunities could include:

- Clinical instruction
- Sales
- Public health
- Management
- Pursuit of a Master's degree
